

## Weill Cornell in the News

*The work and achievements of Weill Cornell faculty and students are frequently featured in the news. Below is a listing of the broadcast, print, and online media – in alpha order by media outlet – that reference their accomplishments. The listing incorporates information from June 20 through August 19.*

### **BROADCAST MEDIA**

<b>ABC Good Morning America</b> (background info.)	Dr. Arthur Spielman	Cognitive behavioral therapy for sleep disorders
<b>ABC Primetime Thursday</b>	Dr. Mehmet Oz	Comment on cancer remittance case involving claim of divine intervention
<b>ABC World News Tonight</b> <b>ABC World News This Morning</b>	Dr. Louis Aronne	Effectiveness of an Atkins Diet
<b>ABC World News Tonight</b> (background info.)	Dr. Joseph Fins	Ethics of "fetal gender kit"
<b>Access Hollywood</b>	Dr. Mark Pochapin	Katie Couric's efforts to create NYPH/Weill Cornell's Jay Monahan Center for Gastrointestinal Health
<b>American Hospital Association video news release</b>	Dr. Herbert Pardes	Endoscopy suite at New York-Presbyterian/Weill Cornell highlighted in video for New York-Presbyterian's "Quest for Quality" award
<b>American Legacy Foundation</b> (educational video)	Dr. Claudia Henschke	Documentary and educational video on the value of CT screenings for early detection of lung cancer

<b>Blue Eye Productions</b>	Dr. Peter Faries	Live satellite broadcast of Dr. Faries' stent surgery to Society of Vascular Surgery National Meeting in Chicago
<b>CBS affiliates</b>	Dr. Neil Bander Dr. Matthew Milowsky	Radiolabeled monoclonal antibody for treatment of advanced prostate cancer
<b>CBS affiliates</b>	Dr. Philip Stieg	Symptoms of mini-stroke
<b>CBS Early Show</b>	Dr. Shari Platt	Children five years and younger able to open "child-proof" caps more than 40% of time (Dr. Platt's study presented to Pediatric Academic Society in May 2005 in Washington, D.C.)
<b>CBS Early Show</b>	Dr. Jonathan Waitman	Ideal weight and ways to achieve that goal
<b>CBS Early Show</b>	Dr. Linda Applegarth	Embryo donation for stem cell therapy (engendered by Senator Frist's support of stem-cell-research funding)
<b>CBS Early Show</b>	Dr. Robert Min	Fibroid ablation
<b>CBS Sunday Morning</b>	Dr. James McKinsey	SilverHawk catheter, minimally invasive procedure to remove plaque from inside artery
<b>CNN Anderson Cooper 360</b>	Dr. Brian Brazzo	Importance of using sunglasses with UV protection
<b>CNN Daybreak</b>	Dr. Louis Aronne	Promising medications for overweight and obesity
<b>Daily Health Feed</b>	Dr. Ted Schwartz	Minimally invasive surgery to remove pituitary gland tumor
<b>Discovery Health Channel</b>	Dr. Mehmet Oz	Alternative medicine for heart-failure patients f

<b>FOX-5 UPN-9</b>	Dr. Barbara Bartlik	Upcoming clinical trial of Zestra
<b>FOX-5</b>	Dr. Ash Tewari	Robotic prostatectomy and other surgical options for patients with prostate cancer
<b>FOX-5</b>	Katherine Isoldi, R.D.	The shifting popularity of the Atkins diet
<b>FOX-5</b>	Dr. Jeffrey Bruce	Convection Enhanced Delivery: new experimental treatment allows chemotherapy delivery directly to brain
<b>FOX-5 WTTG-TV (Washington, D.C.)</b>	Dr. Roger Yurt	Stevens Johnson Syndrome disease in children triggered by sulfur-based antibiotics and over-the-counter medicines with ibuprofen
<b>FOX-5</b>	Dr. Louis Aronne	Transcend Implantable Gastric Stimulator device for non-surgical weight loss
<b>FOX-5 NBC affiliates</b>	Dr. Jennifer Roberts	Virtual-reality exposure therapy being used to treat patients with phobias (engendered by press release)
<b>FOX-5</b>	Dr. Brian Apatoff	Bee venom treatment eases symptoms of multiple sclerosis
<b>FOX News</b>	Dr. Dennis Fowler	Dr. Fowler thanked for treating "Fox and Friends" co-anchor E.D. Hill
<b>FOX News</b>	Dr. Isadore Rosenfeld	Dr. Rosenfeld answers questions about health safety in the summer heat in weekly Sunday "House Calls" segment
<b>"In the Know" (educational video)</b>	Dr. Amy Silverman Martha Pierce	Understanding self-injury, depression, and suicide

<b>MSNBC Countdown with Keith Olbermann CN8 KNZR Radio (Bakersfield, CA) WABC Radio</b>	Dr. Claudia Henschke	Lung cancer awareness (engendered by recent death of Peter Jennings and the announcement of Dana Reeve's lung cancer diagnosis)
<b>MSNBC "Live with Keith Olbermann"</b>	Dr. Catherine Birndorf	Psychiatry and use of prescription drugs to treat depression (engendered from comments by actor Tom Cruise)
<b>NBC affiliate ABC affiliate</b>	Dr. Mark Pochapin	Gastroesophageal Reflux Disease
<b>NBC Nightly News (background only)</b>	Dr. Louis Cooper	Alleged link between mercury in vaccines and autism in children
<b>NBC Nightly News</b>	Dr. Robert Min	New technologies for brain surgery and varicose vein removal
<b>NBC Nightly News WCBS-TV</b>	Dr. Michael Kaplitt Beka Serdans, R.N.	Ms. Serdans' Deep Brain Stimulation (DBS) implant to treat her dystonia (engendered by press release)
<b>NBC Nightly News</b>	Dr. Daniel Libby	Lung cancer awareness (engendered by recent death of Peter Jennings and the announcement of Dana Reeve's lung cancer diagnosis)
<b>NBC Saturday Today</b>	Dr. Gail Saltz	Intimacy in relationships

<b>NBC Today Show</b>	Dr. Gail Saltz	Dr. Saltz is now appearing regularly on Fridays on NBC Today. During the segment, called "On the Couch with Dr. Gail Saltz," she answers viewers' questions about their personal and interpersonal relationships.
<b>NBC Today Show</b>	Dr. Claudia Henschke Dr. Daniel Libby	Lung cancer awareness (engendered by recent death of Peter Jennings and the announcement of Dana Reeve's lung cancer diagnosis)
<b>NBC Today Show</b>	Dr. Jonathan Jacobs	Cryptosporidiosis outbreak (engendered by Geneva, NY, park contaminated by the waterborne pathogen)
<b>NBC Today Show</b>	Dr. Patricia Allen	Changing popular perceptions of menopause
<b>NBC Today Show</b>	Dr. Steven Spandorfer	Technology of sex selection
<b>NBC Today Show</b>	Dr. Marc Weksler	Dr. Weksler presented results from New York-Presbyterian/Weill Cornell's IVIg clinical trial at the first Alzheimer's Association International Conference in Washington, D.C.
<b>NBC Your Total Health WIS-TV (NBC, Columbia, SC)</b>	Dr. Diane Berson Dr. Brian Brazzo	Protecting skin and eyes from UV rays (engendered by press release)
<b>News 12 (Long Island)</b>	Dr. Kathryn Moss	Look inside criminal mind (engendered by recent murder committed by homeless man in White Plains)

<b>NPR "All Things Considered"</b>	Dr. Frank Chervenak	Challenges of caring for premature babies (engendered by case of Virginia premature baby born from comatose mother)
<b>NPR "Here and Now"</b>	Dr. Claude Mellins	Impact of public and peer disclosure for children with AIDS
<b>NPR "Talk of the Nation"</b>	Dr. Marc Bessler	Weight-reduction surgery
<b>NY1 WB-11 WCBS-TV WINS Radio WCBS Radio WNEW-FM</b>	Dr. Amos Grunebaum	High number of Caesarean-section births in New York City hospitals
<b>NY1</b>	Dr. Roger Yurt Andrew Greenway, R.N.	Burn safety tips
<b>NY1</b>	Dr. Gerardo Zullo	Healthy travel for patients with heart disease
<b>Oprah</b>	Dr. Gail Saltz	Personal and interpersonal relationships
<b>PBS Wealth Track</b>	Dr. Isadore Rosenfeld	Discussion and tips on how to live a long, healthy life
<b>Portraits in Determination (Cable TV, Maryland) Good News Broadcast (Radio) Michael Paras Photography (photo essay)</b>	Beka Serdans, R.N.	Living with Cervical Dystonia
<b>South Asia World</b>	Dr. Srihari Naidu	Possibility of heart-disease drug designed specifically for Southeast Asians

<b>Telemundo</b>	Dr. Claire Henchcliffe	Comment on side effects of Parkinson's drug Mirapex
<b>WABC-TV</b>	Dr. Ronald Crystal	Latest stem-cell treatments (engendered by Senator Frist's support for stem-cell-research funding)
<b>WABC-TV</b>	Dr. Calvin Roberts	Dry-eye sufferers find relief with physician treatment
<b>WABC-TV</b>	Dr. Howard Riina	MERCI retriever, device to remove blood clots from brain
<b>WB-11</b>	Dr. Roger Hartl	Follow-up story on recovery of firefighter Eugene Stolowski (engendered by press conference)
<b>WB-11</b>	Dr. Ted Schwartz	New brain tumor surgery through the nose
<b>WB-11</b>	Dr. Gillian Shepherd	Indoor allergies
<b>WCBS-AM 880</b>	Dr. Jeremy Sperling	Heat-stroke prevention (engendered by press release)
<b>WCBS-TV</b>	Dr. Michael Kaplitt	Gene therapy for the treatment of Parkinson's disease
<b>WCBS-TV</b> <b>(Background info.)</b>	Dr. Roger Yurt	Playground burn risks in hot weather
<b>WCBS-TV</b>	Dr. Gerardo Zullo	Comment on <i>Annals of Medicine</i> study finding heart patients should wait before flying
<b>WCBS-TV</b>	Dr. Lawrence Limb	New pediatric dentistry program at Weill Cornell

<b>WCBS-TV</b>	Dr. Margaret Altemus	Comment on <i>Archives of Internal Medicine</i> study finding diet rich in calcium and vitamin D may decrease risk of PMS
<b>WINS Radio WCBS Radio</b>	Dr. Flavio Gaudio	Tips for staying cool in hot weather (engendered by press release)
<b>WNBC-TV</b>	Dr. Thomas Brannagan	Ongoing clinical trial of Ranirestat
<b>WNBC-TV</b>	Dr. Philip Hyden	Limiting the hot water temperature in apartment buildings to safeguard against scalding
<b>WNBC-TV</b>	Dr. Daniel Libby Dr. Claudia Henschke Dr. Nasser Altorki	Lung cancer awareness (engendered by recent death of Peter Jennings and the announcement of Dana Reeve's lung cancer diagnosis)
<b>WNBC-TV WCBS-TV WABC-TV FOX-5 UPN-9 WB-11 NY1 Imus in the Morning WCBS Radio WINS Radio</b>	Dr. Philip Stieg Dr. Roger Hartl Dr. David Helfet	Firefighter Eugene Stolowski returned to New York-Presbyterian/Weill Cornell to thank the medical team that saved his life
